

Camarillo Health Care District: The Camarillo Health Care District is a public agency formed in 1969 by the voters of the Pleasant Valley and surrounding areas to provide community health, wellness and safety services. Formed under the statutes of the State of California Health and Safety Code. Over time, California State Legislators and visionary Board Members have responded to the needs of the community with leading-edge, innovative health and wellness programs and services. The District is recognized as an award-winning District, and a model throughout the State and the nation. Special Healthcare Districts respond to the specialized health needs of California communities, and provide access to essential health services. As a result, tens of millions of Californians have been able to access care that would otherwise be out of reach.

Activity Leader I

The **Activity Leader I**, under the general supervision of the Adult Day Center Director, implements and supports the activities and care of the Adult Day Center. The Activity Leader I ensures that the personhood philosophy is integrated in all day activities and care.

Activity Leader I will integrate the following person-centered values into all programs and services: build on the unique qualities of every person; promote social confidence; recognize and celebrate participant's self-worth, inspire hope, recognize engagement as a sign of well-being; and offer varied opportunities for engagement while supporting independence.

Example of Job Duties

Conduct the activity program. Direct crafts, games, exercises, special events, discussions, etc. as scheduled.

Organize and assist with daily setup, clean-up and serving of noon meal, snacks, and activities.

Enthusiastically engage as a Participant Partner

Assist with restroom cleanliness after individual program participant use.

Assist program participants with daily living skills; including toileting, eating, walking and participation in activities.

Work in cooperation with other staff and volunteers.

Improvise and change plans as circumstances demand, demonstrate flexibility as needs dictate.

Possess ability to recognize signs of illness or fatigue or changes in program participants' behavior and notify Day Leader immediately.

Assist in the distribution of prescribed and approved medication, including the reminding of participants to dose. Document these actions with Coordinator on a daily basis.

Provide ambulatory assistance to program participants, ensuring safety at all times.

Research and offer new ideas for games, craft activities, craft displays, monthly room decorations and assist in maintaining inventory of craft supplies.

Prepare lunch and snacks.
