

Camarillo Health Care District: As a preferred partner in health, wellness and aging, Camarillo Health Care District helps individuals manage ongoing health challenges, live better with chronic illness, and improve overall quality of life. Serving the area since 1969, Camarillo Health Care District is recognized as an innovative, award-winning model district throughout the State of California and the nation.

Health Promotion Coach

The *Health Promotion Coach (Care Management)* provides Long Term Services and Supports Case Management to high-risk clients with the goal of reducing avoidable hospital readmissions, closing gaps in care and increasing self-empowerment, thereby improving client's overall health. This position is a member of a team that develops countywide approach to building partnerships and services with the intent of providing person centered care to support the Triple Aim.

Example of Job Duties

Become trained/proficient in the Dr. Eric Coleman model of Care Transitions Intervention (CTI) with focus on program delivery and fidelity.

Demonstrate flexibility in the delivery of CTI services without over-reliance on rules and regulations.

Coordinate and work cooperatively with referral sources for successful client intakes and handoffs to appropriate programs.

Evaluate clients and their social, physical and mental functioning through home visits, phone calls, record reviews, caregiver information and consultations with applicable agencies.

Follow safety protocols for home visits.

Communicate effectively with clients and/or their caregivers through listening, open-ended questions; paraphrasing; reframing and redirecting.

Demonstrate patient-centered focus and skill transfer techniques during intervention.

Model and facilitate new behaviors and communication skills for patients and families.

Coach clients toward self-management and achievement of their individual goals.

Coordinate and refer clients to appropriate programs within the District, such as Adult Day Program, Senior Nutrition, support groups and evidence-based classes.

Coordinate and refer appropriate clients in need of on-going well-being checks to the District's Senior Support Line.

Coordinate and refer caregivers in need of support services to the District's Wellness and Caregiver Center.

Coordinate and refer clients in need of outside support services to other LTSS providers throughout the county.

Provide timely patient data entry per contract requirements, as well as preparing and maintaining reports as requested.

Develop, build, and maintain effective working relationships, timelines, and workflows with area hospitals, skilled nursing facilities, Home Health agencies and other allied health providers.

Actively participate in Case Management Team meetings, as well as other committees as requested, for ongoing program development and improvements.

Participate in the ongoing development of job knowledge relating to the growing body of practice of care transitions and LTSS case management, as well as required trainings.

Perform related duties and responsibilities, as assigned.

Minimum Qualifications

Education: Minimum of a B.A. Degree within related field.

Experience: Minimum (1) one year experience working with older adults and client data management.

Excellent communication skills, ability to build personal rapport, and keen understanding of the concept of "person-centered" care and goals. Experience in activating people to communicate is preferred.

Demonstrated skills in utilizing computer equipment and software, including but not limited to, such products as MS Office Suite, databases, websites and the Internet, and including the ability to type in an efficient and accurate manner.

Other Requirements: Criminal records clearance. Valid California Class C Driver's license. Means of transportation and auto insurance coverage. Travel is required.

Compensation and Benefits

Full-time; 40 hours per week.

Monday through Friday 8:00 am—5:00 pm.

Pay: \$25.00 per hour.

The District also offers an attractive benefits package, including:

California Public Employees' Retirement System (CalPERS); CalPERS 457 Deferred Compensation plan

Medical insurance plans offered through the CalPERS Health Program.

Annual Accrual Rates: Leave accrual rates vary bi-weekly, based on years of service and weekly hours worked

Holidays: The District observes 11 holidays per year.
